Hi Matt,

Thanks for the help on this. We may be doing our operation starting Wednesday so assuming we get the devices Monday lets shoot for Tuesday for training if that works

Rob,

Thank you for the introduction.

Captain Redfearn,

We will ship 15 devices out tomorrow for arrival Monday. I like to do the training once you receive the hardware, are you available Tuesday or Wednesday? Please send me a few times that would work for you.

Thank You,

Matt Clark

Team meet Captain Redfearn from Aurora P.D. He is planning an operation in partnership with a few Inspectors.

@7P can you please send 15 trackers and get a training lined up?

@Morgan can we get 15 doorbells out for donation to any participants in the operation? Captain, Morgan is our PR person as well that can connect with your PIO per our conversation to assist with the planned PSA.

@Aaron can you line up the SGT. with 25 branded boxes, branded tape, and lithium ION stickers?

Thanks in advance guys for diving in.
